Clutch oil seal tool (2 pc) \$35

Rear wheel cylinder clip tool \$5

Ball joint splitter - HD \$20

3rd motion bearing tool \$20

Synchro hub detent ball tool \$42

## Used Parts

### Cylinder heads

1 - 12G940 complete with fresh valve job with bypass

2 - 12g1316 bare head from Sprite or AA, cleaned and ready to build with bypass

### Cams

4-1275 stock cams, most in usable condition

### Drums

4 used rear brake drums, 1 set almost new, all with with built in spacers

Hif44/38 aluminum intake manifold

Valve covers - 2 steel, 1 aluminum

AA shifter assembly

2 - 3:44 diff gear sets

2 - early style cast iron exhaust manifolds in very good condition

3 clock Nippon Seiki instrument set - tach, speedo, fuel/temp gauges

Pair 4 piston brake calipers - probably should be rebuilt with new seals

2 distributors, 43 with and without vacuum, both in good shape
